Terrific Race With Death.
"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. So wonderful was their effect that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at the Red Cross Pharmacy. Price 50c.

TRUTH TRIUMPHS.

Barre Citizens Testify For the Public Benefit.

A truthful statement of a Barre citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ill, the cure is at hand. Read this:

Mrs. N. M. Nelson (N. M. Nelson, ex-Superintendent of streets), residence 18 West Street, says: "I felt so well pleased with the results obtained from the use of Doan's Kidney Pills in the winter of 1897 that I gave for publication a statement, the gist of which was as follows: An attack of la grippe, some eight years before, left me in poor health. As time went by I grew worse instead of better. A second attack prostrated me and still weakened my condition physically. I paid over \$100 for doctors bills and medicines, but I might as well have used as much cold water. To accurately describe my condition and tell what I suffered is an utter impossibility. The slightest household chore tired me. If on my feet an hour or so, sharp pains across my back, extending downwards, compelled me to stop and rest. At night when I went to bed the very place where a mortal expects rest and comfort was the very place where I never received it, and, as might be expected, I arose in the morning poorly prepared for the commonest household duties. In time other complications arose, and accompanying the backache, which was severe enough of itself, trouble with the kidney secretions set in. I became discouraged and often I wonder how I pulled through. One day Mr. Nelson brought home a box of Doan's Kidney Pills from E. A. Brown's drug store and insisted upon me taking them. If a dose or two had not brought decided results I would never have continued the treatment until they stopped a decidedly acute and possibly dangerous condition. I have never ceased to recommend Doan's Kidney Pills to friends and acquaintances during the five years which have elapsed since that preparation first came to my notice." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
